

the intent under this is that we have had, in the past, other teams who have gained some prominence. I think the track team which is known as a minor sport at the University, have done something sort of outstanding that would be fine, that we would adopt this resolution commending the coach and the team for the fine effort they put out in the recent Big 8 meet.

SPEAKER: Is there any further discussion of the resolution? I believe his motion was to suspend the rules and adopt the resolution. Senator Cavanaugh, did you wish to be recognized? Is there any further discussion of the resolution. Is that correct, did the Chair hear right, that was to suspend the rules?

SENATOR SIMPSON: Yes, suspend the rules and adopt the attached resolution.

SPEAKER: Thank you. Question is, shall the rules be suspended and the resolution adopted? All those in favor will vote aye. Those opposed vote no. Senator Lewis voting aye. Voting on Legislative Resolution No. 17. Senator Simpson's resolution. He's asking for a suspension of the rules. Have you all voted? Once again, have you all voted? I suppose the Chair should remind the body that it takes 30 votes to suspend the rules. We're voting on Legislative Resolution No. 17. Senator Lewis' vote why we have 30 then. Have you all voted? Clerk will record.

CLERK: 32 ayes, no nays, remainder not voting.

SPEAKER: Very good. The rules are suspended. Do we require another vote now to adopt the resolution? I think that embodies it all in one sweep doesn't it? Very good. Resolution is adopted. Do we have other resolutions on the desk?

CLERK: None, Mr. President.

SPEAKER: Do we have any bills for introduction.

CLERK: Yes. Introduction requests read.

SPEAKER: Stand by Senator Luedtke just a minute, Senator Barnett, for what purpose do you rise?

SENATOR BARNETT: Well, Mr. President, I have a request of Senator Simpson. I was in hope that he would see that there are enough copies made to send to every member of the track team and also the coaching staff at the University of Nebraska, if he'd do that.

SPEAKER: Senator Simpson, if you'll make sure the staff--

SENATOR SIMPSON: That were the intent.

SPEAKER: --knows how many you need why we'll go from there. Chair recognizes Senator Luedtke.

SENATOR LUEDTKE: The intent of, the intent of these bills are supposed to be on your desk. They say they are not on your desk. I, you should have them stapled, they may be stapling them together so that they didn't get lost. I suppose that's what they're doing. Do you want to go ahead and take care of something else.

SPEAKER: Stand by. We'll move on to something else here, Senator Luedtke, and come back to you then.

SENATOR LUEDTKE: Yeah. Go ahead.
